

# Wolfram Account for Site License

Wolfram has consolidated the management of organization's site license from the Wolfram User Portal to the Wolfram Account. Here are the quick overviews.

- 1) Access to Wolfram Account <https://account.wolfram.com> with your Wolfram ID.

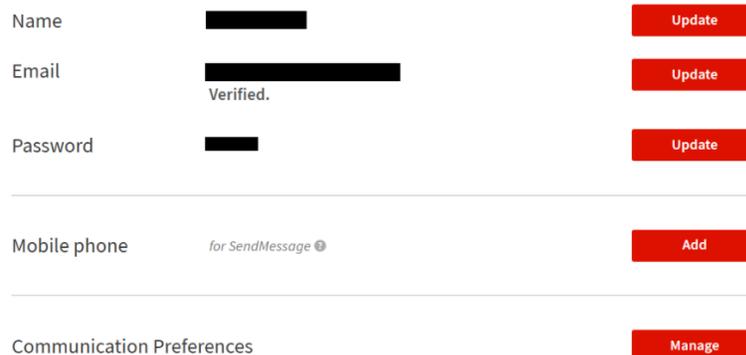

The image shows the Wolfram Sign In page. At the top left is the Wolfram logo and the word "WOLFRAM". Below it is the text "Sign In". There is an input field for "Email" with a question mark icon to its right. Below the input field is a red "Continue" button. Underneath the button, it says "Don't have a Wolfram ID? [Create one.](#)". At the bottom, it says "Or sign in with [Single Sign-On \(SSO\)](#)".

- 2) Select the **My Site Program** at the top menu. If the menu is not shown due to Windows's size, click on the icon  at the top right corner to display the menu.

## Wolfram ID Details

The image shows the "Wolfram ID Details" page. It has a table-like structure with the following rows:

Name	[Redacted]	<a href="#">Update</a>
Email	[Redacted] Verified.	<a href="#">Update</a>
Password	[Redacted]	<a href="#">Update</a>
Mobile phone	<i>for SendMessage</i> ⓘ	<a href="#">Add</a>
Communication Preferences		<a href="#">Manage</a>

3) Select your **Site Program Name** by clicking on the name which is shown in red.

# Wolfram Download Center

Mathematica installer with latest version for Windows, MacOS, Linux can be downloaded directly from <https://www.wolfram.com/download-center/>

User can choose to download and install either

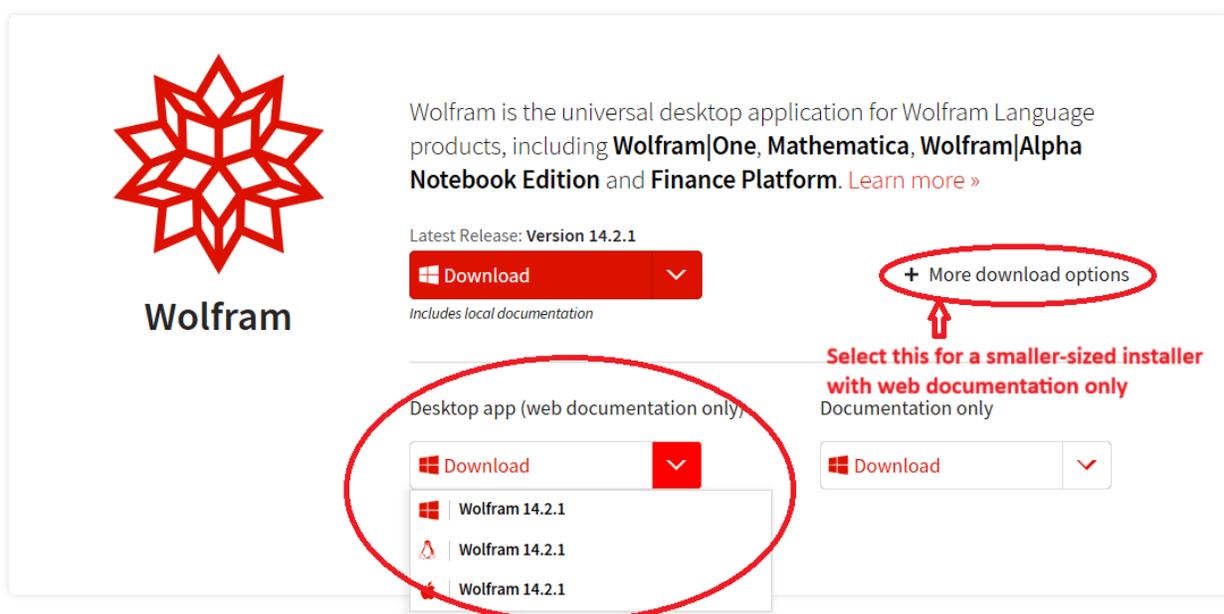

- a. Mathematica with local documentation
- b. Mathematica with web documentation only

## Wolfram Download Center

The screenshot shows the Wolfram logo on the left. To the right, there is a description: "Wolfram is the universal desktop application for Wolfram Language products, including **Wolfram|One**, **Mathematica**, **Wolfram|Alpha Notebook Edition** and **Finance Platform**. [Learn more »](#)". Below this, it says "Latest Release: Version 14.2.1". There is a red "Download" button with a dropdown arrow. To the right of this button is a link: "+ More download options". A dropdown menu is open below the "Download" button, showing three options: "Wolfram 14.2.1 with local documentation (English)" with a Windows icon, "Wolfram 14.2.1 with local documentation (English)" with a Mac icon, and "Wolfram 14.2.1 with local documentation (English)" with an Apple icon.

## Wolfram Download Center

This screenshot is similar to the one above but includes annotations. A red circle highlights the "+ More download options" link. A red arrow points from this link to a red circle around the text: "Select this for a smaller-sized installer with web documentation only". Below this text, there is a "Download" button with a dropdown arrow. A dropdown menu is open below this button, showing three options: "Wolfram 14.2.1" with a Windows icon, "Wolfram 14.2.1" with a Mac icon, and "Wolfram 14.2.1" with an Apple icon. A red circle highlights this entire dropdown menu. Another "Download" button with a dropdown arrow is visible to the right of the annotated section.
